**GENERAL INSTRUCTIONS FOR COMPLETION OF
FORM 2001AC 0809**

Neighborhood Assistance Tax Credits are available to qualified entities that invest in organizations or programs benefiting impoverished areas and/or low-to-moderate income families in Delaware. A qualified entity consists of an individual, S Corporation, C Corporation, Limited Liability Company (LLC), Partnership – one lawful in Delaware, including Limited Liability Partnerships – and any trust or estate can claim Neighborhood Assistance Tax Credits. These credits can be claimed for investments in housing or economic programs (e.g., neighborhood associations, community development corporations or organizations) or in services such as job training, crime prevention or education to individuals other than those employed by the investing firm.

To claim Neighborhood Assistance Act Tax Credits, entities must first receive approval (in the form of a letter) from the Director of the Delaware State Housing Authority. Applicants then send this letter along with a completed Delaware Form 2001AC to the Delaware Division of Revenue for tax credit approval. Once tax credit approval is granted, the tax credit amount is then transferred to Delaware Form 700. To receive the tax credit, Form 700 and Form 2001AC must be attached to each applicable income tax return, along with a copy of Delaware State Housing Authority's approval letter.

For specific questions, contact Steve Seidel, Delaware Division of Revenue, 820 N. French Street, Wilmington, DE 19801, 302-577-8455 or stephen.seidel@state.de.us.
